

Golf Committee Report – 03/19/2026 – Will Babetski

It has been a long tough winter here on our spit of sand sticking out into the Atlantic ocean!

The good news is that, with the Ides of March, the long winter curse of that pesky Gopher in southwest Pennsylvania has come to an end for this year!

On the 2026 Golf Season front, thanks to our partners at RMC, we have filled our final event on October 5th with a 10 AM Shotgun Start at the Cape Club in East Falmouth.

The golf committee members have been busy working to secure hole sponsors for our events, with Bill Crosley coordinating the activity. Mark McManus has updated our sponsorship letter/form for 2026. Walter Shea has confirmed commitments from Patriot Builders and Atty. Michael Modestino. Pete Mullen will renew the Mullen Family Sponsorship, and is working on Chatham Hardware and Zibrat Estate Maintenance sponsorships.

Tom Harrington informed me that GHIN renewals are mostly complete with an active roster of 49. We expect a few more once score reporting opens for the season on April 1st.

Work over the next month will focus on obtaining additional hole sponsors to increase our fundraising and event prize pool. Please contact Bill Crosley (billcrosley@gmail.com) if you have additional companies that would like to be sponsors.

We will also be working on preparations for our first event at the end of April.

Due to my upcoming shoulder surgery, I won't be playing this spring. However, you can look for me manning the check-in table at events, and functioning as the tournament ranger out on the course.
