A big **THANK YOU** to Mark McManus for his time as Golf Chair, and his assistance as a golf committee member going forward. I appreciate his help with getting me up to speed.

I'll be looking to set up **a meeting of our MCMC golf committee** sometime next week, so look for an email from me regarding a meeting. **Still looking for a Co-Chair volunteer!**

2026 Season:

- We will again be partnering with RMC (Retired Mens Club) to meet course minimums for SHOTGUN STARTS

- Met with RMC committee on Tuesday to kick off our planning for the year

Changes this year:

We're always under pressure from courses to improve our **speed of play**

-We'll be targeting **8 AM STARTS** for most events to help with speed of play (so courses can book afternoon tee times)

2026 Schedule – stay tuned ...

- Spring – April 27th to June 8th
- Fall – September 8th to October 12th
- Mondays events (**except** Day after Memorial Day and Day after Labor Day)
